

HANDS ON JAPAN presents Maiko and Geiko Experience

Plan A: Maiko Dinner in an Exclusive Townhouse

Enjoy *kaiseki* cuisine which embodies the quintessence of Japanese culinary culture. ※The photo is an image.

2~8(Private)

A maiko (or geiko) dances to one Japanese traditional song (the song is a recorded one) followed by a chatting time.

Have fun with a so-called banquet game such as *konpirafune-fune*, where you get acquainted with the maiko.

This experience gives you a chance to thoroughly enjoy what a maiko is capable of while having an authentic multi course Kyoto cuisine in a private *machiya* townhouse carefully preserved in Nishijin area of Kyoto city. The 2 hour dining experience also includes maiko's classic dance performance, banquet games, and photo shooting with her. Chatting time also gives you a great chance to get a slight insight into the little known world of maiko and geiko, female performers who entertain privileged guests in an exclusive banquet with an exquisite social skills and a professional hospitality.
